Petitioner who is stated to be working as Teacher Educator in P.M.V.Teachers' Training Institute under the management of respondent No.5 apprehends that she is likely to be shifted from the post she is now holding, in the course of the general transfer of teachers to be effected by the management. Petitioner has certain suggestions to make to the management, though primarily, learned counsel has highlighted the difficulty that the petitioner may face in the event of such transfer. Petitioner submits that it will be in the better interest of the institution if the present scenario continues. I refrain from making any observation on the above contention raised by the petitioner. Learned counsel submits that petitioner will be satisfied if an appropriate direction is issued to respondent No.4 to take a decision on Ext.P1 representation submitted by the petitioner, in which she is stated to have highlighted all the relevant aspects. In the peculiar facts and circumstances I am satisfied that the above prayer can be allowed.

2. Therefore the writ petition is disposed of with a direction to respondent No.4 to consider and pass orders on Ext.P1 strictly on its merit and in accordance with law, after hearing the management and the petitioner. Such a decision shall be taken as expeditiously as possible at any rate within one month from the date of receipt of a copy of this judgment.

Petitioner shall produce a certified copy of the judgment along with a copy of the writ petition before respondent No.4 for compliance. She shall also send copies of the above documents to the Manger for information, by registered post.

A.K. Basheer
Judge.
